Phone: +91 7200104340
Email: Vigneshwaran.PS@cognizant.com

SUMMARY

- ➢ Hands on knowledge in JSP,HTML,JS
- ➢ Having experience with comprehensive knowledge in Enterprise Application development using core Java, Spring MVC Framework.
- ➢ Have working knowledge in Oracle and MySQL
- ➢ Knowledge in C programming
- ➢ Basic knowledge in FTL, Angular, Java 8, DevOps Tools(Docker and Jenkins)

SKILLS

Operating Systems	WINDOWS
Languages/Technology	C, JAVA, HTML, JSP, Spring MVC, CSS
RDBMS	Oracle , My SQL
Web Server	Apache Tomcat
IDE	Eclipse, Spring Tool Suite

EDUCATIONAL QUALIFICATION

Course	Institution	% Marks	Year of Passing
B.E(ECE)	PSNA College of Engineering & Technology, Dindigul	72	2019
HSC	Cheran Matriculation Higher Secondary School, Karur	90	2015
SSLC	Cheran Matriculation Higher Secondary School, Karur	97	2013

Cognizant
Passion for building stronger businesses

WORK EXPERIENCE

Organization	Location	From	To	Designation (Role)
Cognizant Technology Solutions	Chennai-TBM	11/07/2019	06/01/2020	TIAA-RFS-Identity-PF
Cognizant Technology Solutions	Chennai-TBM	10/16/2019	11/06/2019	TIAA-DCT-DevOps-FB
Cognizant Technology Solutions	Coimbatore-KCT	10/08/2019	10/15/2019	INS-OFF-ELT
Cognizant Technology Solutions	Coimbatore-KCT	09/06/2019	10/08/2019	CBE CAT PAT
Cognizant Technology Solutions	Chennai-SRZ	01/19/2019	06/20/2019	ELT-Interns

PROJECT

Trip Planner (POC)

A simple web application for individual to register and select the trip package of their own. Once registered they can login to view, delete and modify the trip packages.

Technologies & Platform:

- ➢ Spring MVC
- ➢ JSP
- ➢ HTML,CSS
- ➢ Maven
- ➢ Spring Tool Suite
- ➢ Docker and Jenkin tool

Contributions:

- ➢ Gathering and analyzing user requirements to provide assistance with providing solutions for new development and system enhancements as required.

Cognizant
Passion for building stronger businesses

E-learning Management (Intern Project)

A simple web application for students, vendors and admin. Student can view his/her opted courses from the available courses from the vendors. Admin can view the student name, opted courses and the vendor name.

Technologies & Platform:

- ➢ Java
- ➢ JSP,Servlet
- ➢ HTML,CSS
- ➢ JDBC
- ➢ Eclipse ID

Contributions:

- ➢ Involved in analysis of Requirement Document.
- ➢ Designed and developed efficient, reusable and reliable Java code in compliance with requirements.
- ➢ Testing and debugging software errors.
